DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 31-36 are rejected under 35 U.S.C. 102(b) as being anticipated by Heinen (5346207). Heinen discloses a

backboard that is sized and configured to be attached to a support structure; a first weight that is separate and discrete from the backboard, the first weight being sized and configured to be selectively connected to a first portion of the backboard; and a second weight that is separate and discrete from the backboard, the second weight being sized and configured to be selectively connected to a second portion of the backboard apart from the second weight on opposing portions of the backboard to facilitate a perimeter-weighted basketball goal assembly (fig 1).

As to claim 32 : Heinen discloses a first and second weight at least partially disposed within an interior portion (fig 1).

As to claim 33 : Heinen discloses a first and second attachment portion (fig 1, 3:45-61).

As to claim 34 : Heinen discloses first and second weights (fig 1).

As to claim 35 : Heinen discloses first and second weights that are part of the same structure (fig 1).

As to claim 36 : Heinen discloses independent first and second weights (fig 1).

Allowable Subject Matter

Claims 1-30 are allowed.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
